After watching the video on long vowels in Arabic, could you please read the words on this page. Do this as many times as you need to.

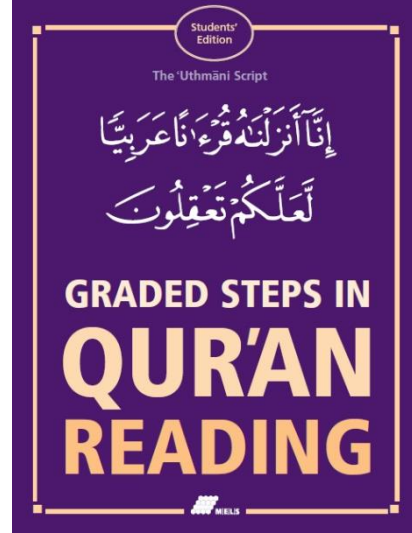

Our aim is to be fluent and accurate with our reading.

The more practice you have, the better you will be!

Then, ask your parents to test you. Your parents should point at any word, and you **should** be able to tell them what word it is.

If you need help, re-watch the video!

Once complete, open your Graded steps in Qur'an reading book, and read pages 30/31/36.
