

## Letters with Tails (part 2)

There are 12 special letters in the Arabic Alphabet which have tail. These 12 letters are:

ب ت ث س ش ص ض ف ق ل م ن

To join these letters to another letter you must:

1) Cut off its tail      ب ت ث س ش ص ض ف ق ل م ن

2) Give it an extending hand to join to the next letter.

ب ت ث س ش ص ض ف ق ل م ن

Here is an Example:

ض + م =

1) Cut off the tail :      ض

2) Give it an extending hand and join to the next letter:      ض

ض + م = ضم

Note: The last letter always stays the same!

Now practice writing these words:

بسر      تر      تم      فذ      شر

صة      بق      لم      صب      ضد

مة      ثب      نظ      نت      قل

نك      سد
