

Class 4- Week 24-25

Importance of knowledge in Islam

Task 1: read the information below and watch the video

Islam is a religion of knowledge. Islam gives too much importance on seeking knowledge. Knowledge is a key to success. Seeking knowledge is better than any value in the world. Allah Almighty says in Holy Quran: "And say: My Lord, increase me in knowledge." (Quran 20:114) It protects us from many difficulties. It has many benefits in this world and also in the hereafter. Knowledge is the base of our lives, and religious knowledge is pleasant, appropriate, and gives pleasure to us because we came to know about our Lord. No other religion gives as much importance to knowledge as the religion Islam. Islam has made seeking knowledge necessary for all Muslims and has believed that not doing so is considered as a sin. Our beloved Prophet Muhammad (SAW) said about it in these words: "Seeking knowledge is an obligation upon every Muslim." (At-Tirmidhi)
