Home Learning Week 22: Revision

L.O: This week we will be carrying on with revision and re-cap.

To start off, write a few sentences about why it is important to be and stay clean in Islam.

Now, i'd like you to fill in the storyboard below with the steps of wudhu. If you need to refresh your memory, use the following video <u>https://youtu.be/93kjPt6ajaA</u> to help you do this task.

The prophet Muhammad (s.a.w) lived thousands of years before we were born. During his life and years as a prophet of Allah, many people carefully listened to him and watched his actions. These people would then tell others about the prophet (s.a.w), and what he said or did. These sayings are known as Hadith. For your task i'd like you to research some hadiths and make a note of some you find. You can use your books, Google, or ask someone at home!

Now for your final task, i'd like you to create a fact-file about Hadiths. You can include extra information from your exercise books or research for more!
