## Class 4 – Week 28-29 (Revision)

### Tahara

Taharah is cleanliness of the mind, soul, body, clothes, home and surroundings. We keep our minds and souls clean by not having evil thoughts or doing evil deeds. We keep our bodies and clothes clean by washing them regularly. We keep our homes and surroundings clean by being tidy and hygienic and not littering or polluting. If a Muslim is not *Tahir*, pure and clean, then he cannot perform salah or touch the Noble Qur'an. Therefore, a Muslim always stays clean. The angels are pure and clean and remain close to those who are pure and clean. Shaytaan is impure and unclean and is always close to those who are impure and unclean Allah only loves those who are pure and clean.

### [Purification 'Tahara' | New Muslim Series Ep. 2](#)

### **'Cleanliness is half of faith' (Sahih Muslim)**

Observing cleanliness of the soul, the clothes, and the surroundings is obligatory upon every Muslim, and this is considered as one of the pillars of Islam. Before offering prayers, it is necessary to perform wudu, and in certain cases, both wudu and ghusl. The purifying agent is always clean water. However, during times when water is not available or is scarce, symbolic wudu and ghusl can be performed with clean dry earth which is known as Tayammum. If the body or clothes show traces of impurities then Taharah becomes essential. The clothes should be washed and the affected part of the body cleaned with pure water, or the whole body given as ghusl as the case may be.

**"O you who believe! When you stand up for the prayer, then wash your faces and your hands till the elbows and wipe your heads and your feet till the ankles. But if you are (in) a state of ceremonial impurity then purify yourselves." (Surah Al-Maidah, 5:6)**
