

On 6 October 2012, the students from Class 6B, 7B and 8B visited the Garden of Peace - a Muslim Cemetery based in Hainault, East London as part of their curriculum enrichment activities.

The students visited the facilities available at the Cemetery which includes a Masjid.

The students prayed Zohr at the Masjid. They learnt about what should be done when visiting a Cemetery or grave-yard from the Islamic perspective.

Staff at the Garden of Peace offered great hospitality and patiently answered the students' questions.

The students were shown how Muslims are buried according to the Sunnah of the Prophet (s).
They learnt the Dua's and recitation that need to be made.

They saw the graves of people from their families and beyond.

The Garden of Peace is one of the few Muslim-only Cemetery in the UK.

The students sat outside the Masjid for their lunch while reflecting on their visit.
